Description of Change:					
<p>The TK68HC711D3, internal design number 7707 and 7726, are made at Plessey Semiconductor, who has closed their 0.35u fab line.</p> <p>The TK68HC711D3, internal design umber 7800, has had all known errata fixed, and has been transferred to the 0.35u fab line at X-Fab Dresden.</p> <p>Shipment of the new revision will commence once the old 7707 and 7726 parts are depleted.</p>					
Justification (Reason for Change):					
The Plessey fab closure forced the retooling at a new fab. Making a new mask set allowed the correction of errata.
